The screenshot shows the OvidSP WebStats login interface. At the top, there are logos for Wolters Kluwer Health and OvidSP. Below the logos is a blue horizontal line, followed by the heading "Welcome to WebStats". A green-bordered box contains a login form with fields for "Login Name:" and "Password:", and a "Login >>" button. To the right of the form, there is explanatory text: "Welcome to the OvidSP WebStats reports interface. Please enter your login name (e OvidSP reports for your organization. If you need assistance please contact Ovid Cus" and "The OvidSP WebStats reports interface provides reports on the usage and users of C consortium level on a per customer basis." Below the text is a "COUNTER" logo with a checkmark and the text "OvidSP reports are COUNTER Compliant". Further down, there is a "What is COUNTER?" section with text explaining that COUNTER is a non-profit organization setting standards for online usage statistics, and a link to "http://www.counterpane.com/" for more information. A "VeriSign Secured" logo is visible in the bottom left corner of the screenshot.

The access details are different to the old Ovid Gateway. Ovid Technical Support will give you the access details (E: support@ovid.com)

After logging into the WebStats utility you will be presented with the page below where you will need to select one of the COUNTER report types for either journals, databases or books.

The screenshot shows the OvidSP WebStats main dashboard. At the top, there are logos for Wolters Kluwer Health and OvidSP. To the right of the logos, the text "Welcome, mauro@mauro.es" is displayed. Below the logos is a blue horizontal line, followed by the heading "Welcome to WebStats" and the text "Prepared for: OVID Technologies A". Below this is a navigation bar with "My Subscriptions" and "Consortia" tabs. The main content area is titled "Welcome to WebStats for OvidSP®." and contains a list of report types under the heading "COUNTER Reports:". The report types are categorized into "Journal:", "Database:", and "Book:".
